# tolino vision 2

## **E Ink® Carta Display in HD resolution with integrated light**

Text display as brilliant as on real paper thanks to E Ink® Carta Display in HD resolution with integrated light. Even in bright sunlight you can read on the tolino vision 2 glare-free and without hurting your eyes. The brightness of the light can be adjusted by pressing and holding the light button. This makes for comfortable reading, even in the dark.

## **Convenient and easy to handle**

Convenient and intuitive control via touchscreen. Easy reading with just one hand with the new tap2flip feature – simply tap on the back to turn the page.

## **Water protection**

A new feature is practical water protection. Reading in the rain or accidentally dropping the tolino vision 2 in the bathtub are forgiven thanks to water protection by HZO.

## **Battery life up to 7 weeks**

Read for up to 7 weeks with one battery charge (battery life depends on personal user behavior).

## **Number lock**

tolino vision 2 prevents unauthorized use by others through a number lock.

## **Purchase and download via WLAN and get free WLAN access at more than 40,000 Telekom HotSpots**

Convenient wireless purchase and download of e-books thanks to integrated WLAN; your own bookstore and personal library are available everywhere in the cloud. Practical, on-the-go access to all 40,000 Telekom HotSpots in Germany free of charge – for example, at the airport, on the train, in restaurants or cafes. Convenient: The device can detect if there's a HotSpot nearby and will set up the connect automatically – without you having to sign on again.

## **All the benefits of the tolino cloud**

Endless possibilities, mobility and security: Store e-books, e-papers and e-magazines, manage them conveniently and access them from anywhere. The free personal cloud storage service keeps all purchased content permanently and provides access to the digital bookshelf from up to five devices.

No restrictions: Content can be added from the market standard ePub and PDF with and without Adobe DRM protection.

## **Up to 2,000 e-books always available**

The internal 2 GB memory has capacity for up to 2,000 books. The cloud offers 25 GB storage for personal files. As a result, the library is available anytime and anywhere, even offline.

## **Extensive range of e-books in German**

Thanks to the open system, e-book shop partners give readers access to a selection of more than 1 million e-books. The purchased e-books can then be read immediately on the tolino vision 2.

## **Nationwide service and consulting network**

Personal consulting in over than 1,500 retail book stores.
